

# CHRISTIE'S

PRESS RELEASE | FOR IMMEDIATE RELEASE | 19 OCTOBER 2020

## CHRISTIE'S HANDBAGS AND ACCESSORIES ONLINE AUCTION 3 TO 17 NOVEMBER 2020

PRESENTING ICONIC HERMÈS DESIGNS, VINTAGE LOUIS VUITTON  
AND LIMITED EDITION CHANEL

**LONDON:** Christie's [Handbags and Accessories](#) online auction presents a selection of the most desirable, collectible and rare handbags, luggage and accessories. This curated sale features an edit for every discerning collector, with estimates from £200 to £80,000, and many lots offered without reserve. After the success of the online-only auction of handbags in London earlier this year, which was 100% sold, this sale will enable the excitement of auction to be experienced wherever in the world our clients may be ahead of the holiday season. Opening for online bidding from 3 to 17 November 2020, lots will also be on view for those in London at Christie's King Street.

The top lot of the auction is a rare Hermès 2020 Matte White Himalaya Niloticus Crocodile Birkin 25 with Palladium Hardware (estimate: £60,000-80,000, *illustrated above centre*). Named after the delicate gradation of colour that resembles the majestic, snow-capped mountains of the Himalayas, these handbags represent the ultimate expression of the artistry and tradition of the storied Hermès house, recognised by collectors around the world for their rarity and exquisite craftsmanship.

Further highlights include custom Hermès rarities including a 2018 Étain Swift Leather Kelly Lakis 28 with Gold Hardware (estimate: £8,000-10,000) and a 2020 Rose Pourpre & Malachite Togo Leather Birkin 25 with Brushed Gold Hardware (estimate: £6,000-8,000, *illustrated right*).

From Louis Vuitton, iconic pieces from the late 19<sup>th</sup> and early 20<sup>th</sup> centuries include an incredibly rare Hermetic Explorer's Zinc Cabin Trunk from the 1890s (estimate: £40,000-50,000, *illustrated page one left*). Designed for the most intrepid of explorers, Louis Vuitton's early adoption of new lightweight materials and technologies helped assert his dominance in the travel-trunk market. In addition to filing patents for special hinges and clasps, Vuitton was the first to make a flat-top trunk that could be stacked. The auction also includes examples of the Louis Vuitton Malle Fleurs, including a beautiful monogram canvas trunk from the 1920s (estimate: £15,000-20,000, *illustrated above right*). Representing an iconic moment in the history of Louis Vuitton, Flower Trunks were introduced in the early 20<sup>th</sup> century as gifts for the most exclusive clients of the house. The trunks included a zinc liner to allow flowers and water to be placed inside, without causing any damage to the trunk.

For the holiday season, the auction presents the perfect Chanel pieces for added winter sparkle, including a 2014 White Lucite & Crystal Lego Clutch (estimate: £2,000-3,000, *illustrated page one right*), a 2018 Lime Sequin Mini Single Flap with Silver Hardware (estimate: £1,000-2,000, *illustrated left*) and a 2018 Clear Plexi Glass Chain Bag with Rainbow Hardware (estimate: £3,000-4,000).
