Hong Kong – On 27 November, Christie's Watches held two live auctions, "Important Watches - Featuring The Triazza Collection Part I", and "The Champion Collection Part VI: The Finest Watchmaking", realising a sale total of HK\$202,179,001 / US\$26,003,656, the second highest annual sale total at Christie's Asia. This marks the second consecutive year of exceeding a total over HK\$500 million in watch sales. The auctions saw strong global participation from 40 countries across 6 continents, of which 55% of new buyers were millennials.

Alexandre Bigler, Vice President and Head of Watches, Christie's Asia Pacific, commented, "The competitive bidding at our two live autumn auctions has once again shown the continued demand within Asia Pacific for exceptional and rare timepieces. The first part of the magnificent Triazza Collection was 100% sold, and we were thrilled to achieve two world auction records for Patek Philippe from the legendary Champion Collection, including for a lady's magnificent and extremely rare limited edition 18k pink gold and diamond-set automatic world time wristwatch with cloisonné enamel dial featuring the Geneva lake. This season represented watch craftsmanship at the very highest level, as we continue to bring the finest single-owner horological collections fresh to the market. While our epic journey with the Champion Collection is reaching its finale, there is still a final chance to bid on exceptional pieces in the online until 7 December in [Christie's x PANERAI: Watches Online](#)."
